

To all County Clerks:

Please find attached the instructions for using the new Election Night Reporting System (e-ENR) as promised in the memo dated July 11, 2005. A copy of the July 11th memo is provided with this email as well.

Staff from the Bureau of Elections will be contacting you early next week to provide you with the information you need to access the system (ie user names and passwords) and a walk through training. If you have certain staff that you would like contacted, please feel free to respond to this email with their name and phone numbers. The training will take approximately 15 minutes. Staff will be prepared to walk through the process with you, perform a test for key entry and answer your questions.

The paper fax canvass forms are being sent to you via first class mail. Should you have any need to use the paper forms, it is acceptable for you to fax them to us as in previous years.

I look forward to working with you this election year. If you have any questions or concerns, please feel free to contact me at 517-335-2790 or by email at [quirogae1@michigan.gov](mailto:quirogae1@michigan.gov).

Kind Regards,

Evelyn Quiroga
